*Total includes local road VMT. Local road VMT is estimated and not statistically sound.

Local VMT was adjusted in 1997 to reflect additional counts in Billings, Kalispell and Butte.

**November 28, 1995, NHS (National Highway System) came into effect and roadways were realigned. A portion of the former Federal-Aid Primary and Urban systems became part of the NHS. Therefore, there are no direct comparisons between 1995 and the historical data.
